Take Home Activity – Asking Our Children About Money

What questions might we ask?

Depending on time you may wish to do this as a flip chart session to get people ready for speaking to their children about money or just provide suggestions from list below.

Pre-school

- What is money?
- Where do you think money comes from?
- What do you think people do with money?

Primary school age

- How would you describe money to an alien?
- Where do you think money comes from?
- How do you think your parents/carer's get their money?
- What do we use money for?

Secondary school age

- What do you think money is?
- Do you think we need money at all?
- What is the point of money?
- Who is trying to get you to spend your money and how?
