

Who managed money in your household?

When did you get your first job?

What money did you get when you were young?

What did you enjoy spending your money on?

How did you save money as a child?

How did you learn about money?

What things were you not allowed to spend money on?

What were the people around you like with money?

Who taught you to manage money?

Where did you keep your money?

What special occasions were you given money?
